

UPCOMING EVENTS

Q2-3 2019

TEN Capital has helped startups raise funding since 2009. Originally focused on Texas-based businesses, the Texas Entrepreneurs Network became the TEN Funding Portal in 2012, and then TEN Capital in 2016. TEN Capital now helps businesses everywhere — since inception we have helped businesses raise over \$410M in startup and growth funding.

If you are interested in a sponsorship at one of our events, please contact Liza at lizadickinson@tencapital.group for further details.

Dallas Blockchain Capital Summit

Date/Time: May 21, 2019 3-6 PM

Location: Addison TreeHouse, 14681 Midway Road Addison, TX 75001

About: The Dallas Blockchain Capital Summit is a pitch summit featuring prominent blockchain organizations raising seed or series A capital. At the event you will hear 5 pitches from blockchain businesses ranging from a group of founders with an exciting MVP developed to a company with 20 employees and over \$1M in revenue. Investors seeking blockchain investment opportunities and blockchain professionals who would like to strengthen their network are invited to attend the event.

Co-hosted by: Global Blockchain Network, MLG Blockchain, North Texas Blockchain Alliance, and Addison TreeHouse.

Who should attend: Blockchain companies raising capital, VC firms, family offices, private bankers, blockchain professionals, and anyone who has an interest in blockchain.

TEN Capital Community Meetup

Date/Time: June 4, 2019 7-8:30 PM

Location: Cover 3, 1717 W 6th St #210R Austin, TX

About: Every first Tuesday of the month, Hall T. Martin of TEN Capital Group hosts a monthly meetup where we'll discuss how you can raise funding for your startup or growth company. Bring your questions and observations to share with others.

Investor Reverse Pitch and Startup Pitch – Seattle

Date/Time: June 13, 2019 3-6 PM

Location: K&L Gates LLP, 925 4th Avenue #2900 Seattle, WA 98104 TBD

About: This pitch event highlights Family Office, Venture Capital, and other accredited investor groups seeking to fund high quality growth startups. The program provides an investor reverse pitch, startup pitches with an investor lead, and networking with other investors in the area. This is an event you don't want to miss!

Why it's important to the investor community: Today there are many sources of venture funding and even more startups seeking funding. Funding is moving online but it's important to stay connected to the community and share deal flow and best practices.

Presenting companies: Innovative Health, Towny, Cadee Distillery, Judolaunch
